## Explore Nevada's Small Business Support Ecosystem

**Do you own or operate a Nevada small business impacted by the pandemic?  
Do you need help navigating the challenges of business recovery?  
There are business support groups and services available to assist you!**

The pandemic has created great uncertainty for small business owners and the economy. To help Nevada businesses navigate these difficult times and work toward recovery, the state has an extensive ecosystem of public and private resources focused on small business support. The Nevada Department of Business and Industry encourages all impacted entrepreneurs and small businesses to take advantage of this resource network and explore what it can do for you.

Use the options below to learn more about Nevada's small business support ecosystem. Explore the system's many resource partners and services. Identify an entity or program that offers help in your area of need. Then contact them to see what they can do for you.

### FOUR WAYS TO LEARN MORE

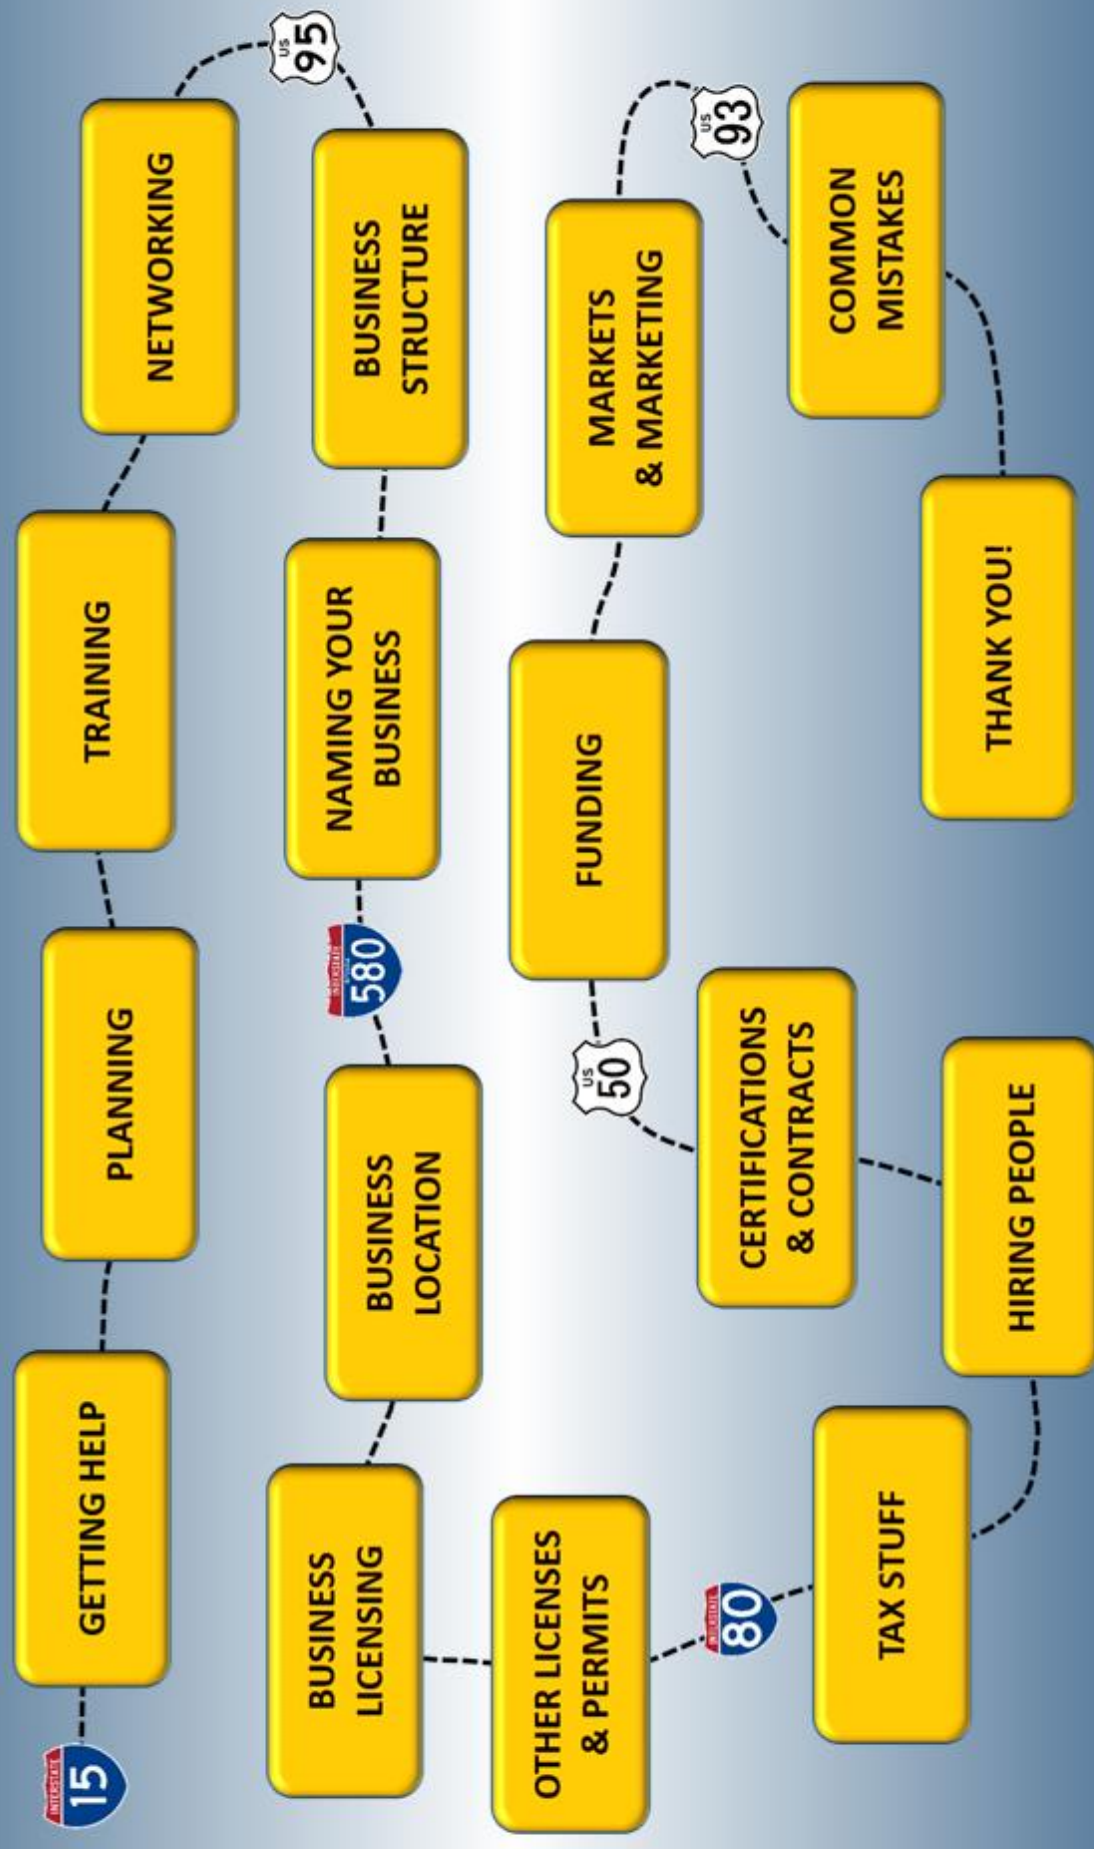

1. **Go online to [www.business.nv.gov](http://www.business.nv.gov).** Find information under "Important Links" on the right of the homepage or click on the Business Resource Center and explore the Resource Directory, Access to Capital Directory, Nevada Business Startup Guide, Nevada Ecosystem Chart, and Learning Center. Use links in the directories or download the Startup Guide to go right to provider websites and contact information.
2. **Go online to [www.sba.gov](http://www.sba.gov).** Click the "Learn More" button under "Coronavirus (COVID-19) Small Business Guidance & Loan Resources." On the resulting page, explore the links to the Economic Injury Disaster Loan Program, SBA Express Bridge Loans, and other items. On the SBA website, you can also explore SBA's Business Guide, Funding Programs, Federal Contracting, and Learning Center links. Use the site's Local Assistance link to find a local SBA partner who can help you with information, counseling, mentoring and training (or go directly to the SBA Nevada District Office website at [www.sba.gov/nv](http://www.sba.gov/nv)).
3. **Go online to [www.businessinfonetwork.org](http://www.businessinfonetwork.org).** Scroll down the homepage to find the latest information on Nevada's COVID-19 Response, as well as listings of federal, state and local resources for businesses impacted by COVID-19. Explore announcements, reopening and recovery plans, and relevant webinars to aid in recovery. Learn how businesses can participate in state recovery efforts.
4. **Write or call directly.** Provide your contact information, tell us what you need help with, and we'll work to connect you with information or a resource partner that can assist you.
